

P.P.E Policy

Personal Protective equipment: Plays an important role in reducing the effect of an incident on people involved in it. **IBRAHIM OIL CARRIER** has a commitment to provide **P.P.E** to all employees whenever there is exposure to potential Hazards.

Safety Helmets:

Every employee will use safety helmet when there is danger of head injury. Helmet will be provided for this purpose.

Safety shoes:

When there is a potential for foot injury, Safety shoes that protect the feet and minimized slipping must be worn. The safety shoes shall be provided whenever necessary.

Coverall:

Every employee will use coverall when there is a danger of cuts, handling corrosive/ hydro carbon material etc., use of coverall is mandatory.

Safety Goggles:

Safety goggles shall be provided to every employee if there is a potential of injury or splash hazards. Mandatory use of safety goggles shall be implemented.

Hearing Protection:

This shall be provided where noise level cannot be engineered out or management control is not practical

Note: If customer has more stringent requirement then the same would implement
